Additional Services (À la carte)

- **Ceremony Rig – \$300**

A dedicated sound setup for your ceremony space, including a wireless microphone for your officiant, Lavalier mic for the bride and groom, music for your processional & recessional, and seamless transitions—all tailored to your timeline and location. Ideal for outdoor or separate ceremony areas.

- **Uplighting – Starting at \$400**

Transform your venue with elegant wireless uplights placed around the room in your custom wedding colors. Uplighting enhances the atmosphere, adds depth to photos, and creates a romantic, high-end look from dinner to dance floor.

- **White Skrim DJ Booth – \$100**

A sleek, modern white DJ facade that blends seamlessly with your wedding décor. Perfect for upscale venues and all-white themes, it hides cables and equipment while adding a polished, professional touch to your reception space.

- **Black Skrim DJ Booth – \$50**

A clean, stylish black DJ facade that adds a bold, modern edge to your reception setup. Ideal for evening events, moody aesthetics, or urban-chic venues, it keeps cables and gear out of sight while delivering a sharp, professional look that complements darker décor themes.

- **Totem Lighting Stands (Set of 2) – \$150**

Elevate your dance floor with two sleek, totems *available in white or black skim—perfect for creating a high-end, club-style atmosphere. These towers can be customized with vibrant uplighting or moving head fixtures to match your wedding colors and energize the room. Ideal for couples who want to take their lighting to the next level with a modern, eye-catching feature.

- **55" LCD Display – \$200**

A vibrant, high-definition screen mounted to the DJ booth—perfect for showing custom slideshows, monograms, music videos, or live photo booth feeds. Adds a modern, dynamic visual element to your reception and keeps guests engaged throughout the night.

- **Fog/Smoke Effect – \$50**

Add atmosphere and energy to your dance floor with a classic fog effect. Ideal for grand entrances, high-energy moments, or late-night dancing, this effect enhances lighting visuals and brings a nightclub-style vibe to your wedding reception. Please verify with your venue before considering this option.

- **QR Code Request System – \$50**

Let guests easily request songs right from their phones. A custom QR code at each table links to a live request form, allowing for seamless interaction without crowding the DJ booth. A fun, tech-savvy way to keep everyone involved and the dance floor full.
